Career Objective

Remarkably creative and detail-oriented individual with in-depth knowledge in developing and maintaining a product. Seeking for a position as a Game Designer where I can hone and utilize my art and programming skills.

Career Summary

A creative junior developer with proficiency in the field of programming and concept art. Has 3 years of experience in writing with high-level programming languages such as C++ and C#. Knowledgeable in using popular development tools including Visual Studio 2022, Unity Game Engine, and GitHub. Also has 2 years of experience in conceptualizing and painting background design and character design for personal projects.

HARD SKILLS

SOFT SKILLS

MARK CHRISTIAN R. CRUZ

JUNIOR GAME DESIGNER

Experience

Background Design Commission || August 2022

Painted a glowing galleon boat in the middle of the sea for a client that requested a landscape painting. The client was beyond satisfied to make it his desktop wallpaper.

Concept Art Commission || September 2022

Created a requested concept painting of a castle for a client. The client used the commission as her foundation for her personal creative project.
